MORE COVID-19 VACCINATIONS INFORMATION

This piece of new information might be helpful to those seeking COVID-19 vaccinations.

Chief Steedman learned that there is a phone number for Publix pharmacy customer care that can be used for making appointments.

The number is:
(800) 242-1227 when you hear the prompt press #7

Chief Steedman has called this number and after a long wait actually spoke with a human. So apparently it works. Updated information from the County is available at http://palmbeach.floridahealth.gov/about-us/important-notices.html#:~:text=COVID-19%20Call%20Center%20available,COVID-19%40flhealth.gov

Good Luck!
